Duclos Kids (Sung to Mr. Sun)

Oh Duclos Kids, Kids and the adults too, all shine down on you.
Oh Duclos kids, kids, and the adults too, won't let you feel blue.
Safe, responsible and helpful too,
Independent, oh yes it's true.
We don't give up.....No!
We use our empathy....to shine out it's true!

“Catch the Spirit”

VERSE 1

We've been here all along
Sitting quietly and strong.
We're the place and the people of our town.
When you hear “Bonnyville”
And you wonder where we've gone
We will tell you as you listen to our song.

CHORUS

Duclos (Duclos, Duclos)
Has the spirit (3 times)
Duclos (3 times)
Can you hear it? (3 times)
Give us (3 times)
A place to live and learn
If you catch the Duclos spirit – pass it on.

VERSE 2

We've had fun in the sun
Touched the minds of everyone
With a warm and tender heart that we share.
We've been happy, we've been sad,
But our friends we'll always have
'Cause we always have the time enough to care.

CHORUS

Duclos (Duclos, Duclos)
Has the spirit (3 times)
Duclos (3 times)
Can you hear it? (3 times)
Give us (3 times)
A place to live and learn
If you catch the Duclos spirit – **PASS IT ON!**
